## PROJECT EXPERIENCE

**ESW Reporting Portal** — [github.com/trevinshu/ESW-Reporting-Portal-Scrubbed](https://github.com/trevinshu/ESW-Reporting-Portal-Scrubbed) — Capstone Project

- Helped redesign & rebuild ESW's internal reporting portal from a multi-page web application to a single-page web application with React which performed 50% faster than their previous site.
- Participated in & led sprint planning meetings, daily standups, sprint reviews, client meetings, pair programming sessions & code reviews.
- Assisted in designing and coding the navigation menu, footer and login screen components.

**Movie & TV Show Lookup Application** — [github.com/trevinshu/movietvapp](https://github.com/trevinshu/movietvapp) — Personal Project

- Coded a responsive movie & tv show lookup web application with HTML, SCSS and JavaScript
- Utilized the TheMovieDB API to fetch and display movie and tv show information on page load and via search.
- Implemented a Dark and Light Mode that saves the user's theme preference to local storage.

**Recipe Lookup Application** — [github.com/trevinshu/recipeapp](https://github.com/trevinshu/recipeapp) — Personal Project

- Built a responsive Recipe lookup web application with HTML, SCSS, and JavaScript
- Retrieved and displayed recipe information on category click and via search using TheMealDB API.
- Implemented a modal that displays detailed recipe information in a user-friendly manner.

## WORK EXPERIENCE

**Intern**, Web3, Edmonton, Alberta, March 2018 – May 2018

- Researched, photoshopped and printed unique web designs.
- Assisted in day-to-day office tasks such as relaying messages and running errands.

## EDUCATION

**Northern Alberta Institute of Technology**, Diploma. Digital Media & IT specializing in Computer Software Development — 2021

- Dean's Honor Roll — Fall 2020 & Fall 2021.
- Exemplary Academic Achievement Award in the Digital Media and IT Program — Winter 2020.

**CDI**, Diploma. Network & Database Management — 2018
